

# <Packing Instruction>

## CAUTION

- Please do not pack several instruments in one shipping box. This box is designed for packing one unit only.
- If the instrument is improperly packed, the instrument might be damaged during shipment
- Please mark the box "fragile" or "delicate instrument".
- We recommend 2 people are used when lifting/handling the box, and usage of a cart when moving the box.

- Close the box while applying pressure.
- Secure the box by shipping tape or straps after closing the box.
