Cookie Policy

Renewed on October 1, 2023

We use Cookie on our group websites to improve functionality, provide services that are more suitable for our customers.

1. About Cookies

A Cookie is a small piece of text file containing arbitrary characters that is exchanged between a Web server and your browser when you browse the website and is stored on your devices. Those Cookies are set by us a nd called First-Party Cookies. We also use Third-Party Cookies, which are cookies from a domain different th an the domain of the website you are visiting, for our advertising and marketing efforts.

2. Strictly Necessary Cookies

These Cookies are necessary for the website to function properly and cannot be stopped on our system. These are typically set only in response to user actions that correspond to service requests, such as privacy settings,

logins, and form filling. You can block these Cookies in your browser's settings, but some sites may not wor k. This cookie does not retain personally identifiable information.

5. Targeting Cookie

This Cookie may be set up by our advertising partners. Advertising partners will create profiles based on the user's interest and use this Cookie, for example, to display relevant advertisements on other websites. This cookie does not directly preserve personal information, but it uniquely identifies the user's browser or terminal. If you stop using this cookie, you will see more general advertisements without targeting.
